PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 C.F.R. 1.181(a)

Sir:

Applicant respectfully requests withdrawal of the holding of abandonment in the above referenced application.

Applicant states that the Office Action of November 7, 2008 was not received at the correspondence address of record. A search of our records, including any file and the application contents, indicates that the Office Action was not received. A copy of our internal patent docketing database where the non-received Office Action would have been entered had it been received is enclosed. The patent docketing database that Applicant uses is sufficiently reliable and used to track and docket all incoming mail from the U.S. Patent Office. In the file, the last correspondence is the response that Applicant submitted to the Office Action dated June 12, 2008.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Matthew Beaudet', written over a horizontal line.
